IV. OTHER BUSINESS

1. Report-writing Workgroup Updates

Welch – He had an email to get ahold of tables within the narrative body of the report. Mr. Hussey should coordinate with his team members and review tables for content and layout. Content is about if the content is presented similarly to last year's report.

Hussey – He's responsible for Page 1 through Appendix A.

Welch – Mr. Kickham is responsible for layout and membership update. The tables should be set up to reflect as they were in previous years; the data comes from Ms. Carmel. Mr. Hussey should have a copy that was emailed last week.

Carmel – That included tables; structure is set up with 2 of 4 complete; the others rely on the funding sources.

Welch – The other information is something he and Mr. Hussey can do through a brief email with Ms. Carmel.

Hussey – He'll update and edit Mr. Welch's words as he sees fit to reflect this year. He'll get that back to Mr. Welch.

Welch – Going forward, Ms. Carmel's emails will go to the writing group with Mr. Welch cc'd. He'll forward the layout to Mr. Hussey. Ms. Vieth, the target is to have a draft next week.

Proposed CapProCom Minutes for January 05, 2023

Carmel – January 20th is when the report is to be submitted to the Select Board. January 12th is the funding sources.

Welch – January 12th is preliminary draft with final draft on January 19th. We need to pin down the funding sources early next week. We'll vote on the final draft on January 19th.

Kickham – Asked what he'll be getting when the information is forwarded to him, will it be a shell or resemble a report.

Welch – Mr. Hussey will look at the content of individual tables; Mr. Kickham with get a spreadsheet of finalized tables. We need the funding sources by January 10th in time for the preliminary draft.

Kickham – Asked if we'll know if Town Administration has altered any recommendations.

Welch – He'll look into it. We have update monies on the Wauwinet costs and grant; that difference will be a footnote in content for Appendices A & B. He and Mr. Hussey need a conversation on handling the footnotes for Appendices A & B. General group commendations show up as footnotes in Appendix A and funding sources comments in Appendix B footnotes.
