COMMISSION

Virtual Meeting via Zoom Video Conference**

FINAL AND APPROVED MINUTES

Attendance: Commissioners: Frances Karttunen, Scott McIver, Allen Reinhard (Chair), Lee Saperstein, and Barbara White; Ken Beaugrand, Real Estate Specialist (left at 3:41 pm).

1. Call to Order.

Chair Allen Reinhard called the meeting to order at 3:01 pm. A roll-call of attendees showed that a quorum existed.

2. Public and Commissioner Comments.

There was no public comment.

Allen Reinhard reminded the Commissioners that they had deferred selection of officers to this meeting so that a full roster could select them. He asked if there were any volunteers for the position of chair. Scott McIver promptly moved to nominate Allen Reinhard as chair and Lee Saperstein as secretary; this was seconded by Barbara White and approved unanimously by roll-call vote. Allen Reinhard then said that we need to have a vice-chair, whence Barbara White nominated Scott McIver who was seconded by Lee Saperstein and approved unanimously, again by roll-call vote.

Allen Reinhard then spoke of the flux in the DPW that has resulted in major disruption of that department. One result of this flux was the inability to organize a Zoom meeting for the Commission on its scheduled date of August 11, 2021. With the departure of the Director, who also was Cemetery Administrator, and at least three members of the administrative staff, administrative support for the commission is absent. Before she left, Hannah Nicolle sent a spread sheet of burial records to Allen Reinhard but it was only up to 2019 and contained 51 records whereas 131 lot sales have been made since the Commission was established. Allen Reinhard feared that the Commission would be unable to meet its stated mission of the maintenance of accurate records for the Town's cemeteries. The mission statement is copied here.

“The Cemetery Commission's mission is to develop record keeping procedures, systems, a plot and services price list, and regulations in order to assure the respectful committal of human remains on Nantucket; to provide adequate space for the town's burial needs, and complete and accurate records of those buried in town controlled cemeteries; and to provide for the maintenance, in perpetuity, of the grounds and monuments in all of the cemeteries controlled by the Town of Nantucket.”

Lee Saperstein thought that a crisis existed and that we should ask for temporary support help. Scott McIver was more positive. He said that Hannah Nicolle, former administrative aide, had told him that the files were up to date and each lot sale was placed in a separate file defined by the interred's surname. With Allen Reinhard's consent, he volunteered to meet with Steve Arcenau, Interim DPW Director, to confirm that the files exist and are accessible. If they are, then bringing the spread sheet up to date once new staff members are in place would not be difficult. Allen Reinhard suggested that, when complete, copies of the records should be transferred to the Nantucket Historical Association, NHA, and the Town Clerk. [Action: Scott McIver to determine actual state of lot-sales files.]

3. Approval of Minutes from July 14, 2021.

Scott McIver moved, Frances Karttunen seconded, and the Commission unanimously approved the minutes from the meeting of July 14, 2021. The vote was by roll call.

4. Approval of Lot Sales Since Last Meeting.

Although there are no new lot sales to confirm, the Commission has had two requests to confirm earlier lot sales and burial rights in them. In each case, contact was made with Chair Allen Reinhard.

The first was from Debbie Ledbetter, daughter of Phoebe Swain, who asked for confirmation that the Swain monument at the top of the hill in Polpis Cemetery belonged, in fact, to her family. Although no written records could be found to confirm her ownership, her recollection of growing up in the "Old School House," adjacent to the cemetery was very helpful. She knew also some of the families that acquired adjacent plots, Allen Reinhard promised to bring this matter to the Commission at its next meeting. Accordingly, Lee Saperstein moved and Scott McIver seconded that Mrs. Ledbetter had the right of inurnment in the Swain plot in Polpis Cemetery and that right might be exercised with the appropriate application, The roll-call vote in favor was unanimous

The second was from Mrs. Ellen Gerhard, who asked if she had the right of inurnment in the grave of her husband, Bruce Gerhard, Old North lot E-4, who died in 1980. Allen Reinhard told her that it was most likely but that he would ask the Cemetery Commission for confirmation. Lee Saperstein moved that she had the right of inurnment and that any time she wished to exercise that right she needed to file an application. Her husband was cremated and, thus, there is space for three more inurnments in that plot. Frances Karttunen seconded the motion and approval was unanimous by roll-call vote.

Barbara White asked if it was correct that there was no paperwork in the DPW files for these two lots. Allen Reinhard said, "yes", that is it is correct that there is no paperwork, and Lee Saperstein thought that lot sales in earlier times was handled by the Town Clerk's office and the current Town Clerk also has no record of them. She then suggested that we find out if the Town Clerk has blank copies of the application that was used in those days so that we could complete them retroactively for these two actions. Allen Reinhard said that he would check.

Allen Reinhard will so notify Mrs. Gerhard and Mrs. Ledbetter along with a copy of these minutes for confirmation. [Action: Allen Reinhard to notify Mrs. Gerhard and Mrs. Ledbetter and see if confirmatory documents could be created. He will also ask the Town Clerk if copies of the blank application can be found.]

He mentioned that he had had a call from a potential lot-sales applicant and that he has reserved a lot for this person, who will need to make a formal application.

5. Report from Ken Beaugrand.

Because Ken Beaugrand had to leave the meeting, Allen Reinhard asked him at this time to report on cemetery matters with which he is dealing instead of waiting to later in the meeting for the section on Polpis status. Ken Beaugrand reported that the Polpis land swap papers are approaching final status and could be shared with the Commission soon. Once they are voted on, the swapped lands can be surveyed and then conveyances prepared and entered into the Registry of Deeds.

He had no news on Newtown Cemetery and opined that it is far down in the list of tasks for Town Counsel. He said also that asking Steve Arcenaux, Interim DPW Director to help Scott McIver find the Cemetery files is a good step toward helping new staff when they are hired.

6. Request to Consolidate Two Adjacent Lots at Polpis.

For this agenda item on the request by George Thom to consolidate two adjacent plots that he owns, Allen Reinhard asked Scott McIver to share his sketch of how the plots and their monuments would look; see attachment for a copy of the sketch. There had been general consent at the previous meeting toward approval. Lee Saperstein felt that this could set precedence for future lot sales and we had to ensure that it was well understood that the consolidation could occur only with a waiver of the regulations. Barbara White said that she trusted Scott McIver to create a plan that deviated the least from the rules; Frances Karttunen agreed. Allen Reinhard thought that the sketched layout was attractive. Scott McIver moved approval of the consolidation and rule waiver, Barbara White seconded, and the Commission voted unanimously by roll-call vote to approve the motion. Allen Reinhard will so notify George Thom.

7. Polpis Cemetery and Quaise Monument Latest Developments.

Ken Beaugrand's earlier report covered the Polpis land swap. Allen Reinhard reported that the new monument to the victims of the Quaise Asylum fire is beautiful and encouraged commissioners to go see it. Scott McIver reported that his work crew, who knew little about this cemetery, were very interested in learning more about the asylum fire. A discussion of publicity ensued. Frances Karttunen said that she had photographs of the monument but that she was reluctant to distribute publicity until directional signs were placed and a dedication ceremony planned. She felt that sometime in September would be good for the ceremony and she also felt that consultation about the dedication with the Nantucket Historical Commission and its chair, Hillary Rayport, would also be helpful. Allen Reinhard said that he had spoken with the Town's

sign maker, Ray Sylvia, who acknowledged that he had the work order for the signs and would get to them soon. [Action: Allen Reinhard to follow up with Ray Sylvia on signage.]

8. Green Burials Further Discussion.

This item was deferred until the next meeting. The proposed amended regulations are attached for consideration at the next meeting.

9. Burial Plot for Cremains Abandoned with Town Clerk

With respect to the five sets of abandoned cremains held by the Town Clerk in the Town vault, Allen Reinhard informed the Town Clerk that the Cemetery Commission had approved their inurnment in one plot in the Polpis Cemetery. He will ask the Town Clerk to complete an application for burial. The Commission waived the rule of no more than four in one plot. Scott McIver has offered to create a memorial stone for the five, four of whom are identified by name. Frances Karttunen said that, if she is given the information, she will create an appropriate text for the inscription. [Action: Allen Reinhard to ask Nancy Holmes, Town Clerk for available information and to initiate a request for inurnment.]

10. Garden Club Daffodil Project for the Fall.

Between the recent disruption in the DPW and the surge in COVID-19 cases on Nantucket, Allen Reinhard suggested that we defer planting of additional daffodils until the fall of 2022. Frances Karttunen thought that the Garden Club money was in a cemetery account. Allen Reinhard said that he would follow up with the Finance Department on this and all cemetery accounts. [Action: Allen Reinhard to check with Finance Director, Brian Turbitt on cemetery accounts.]

11. Commissioners Comments, Old, New and Other Business.

Allen Reinhard noted that, when we ran out of corner markers for newly laid-out plots, we used re-bar to define corners because they can be found with a metal detector. Unfortunately, when burying the Dey family remains, they could not find the markers. Scott McIver thought that they had gone in the correct place but would check.

10. Adjournment came by consensus at 4:15 pm.

Next regular meeting: Wednesday, September 8, 2021, at 3:00 pm by Zoom Video Conferencing. If regular face-to-face meetings resume, a notice will be sent with the agenda for the September meeting.

Rules and Regulations for Town of Nantucket Controlled Cemeteries

Adopted: April 23, 2014

Effective: May 1, 2014

Proposal by Lee Saperstein to incorporate green burials. (August 18, 2021)

In accordance with MGL Ch. 114 and Chapter 47 of the Acts of 2011, the Cemetery Commission has promulgated the following rules and regulations that govern burials in Town cemeteries, and the use and care of Town cemeteries. These rules and regulations may be amended from time to time, with the approval of the Board of Selectmen.

I. General Rules

Town Cemeteries are open daily from dawn to one-half hour after sunset.

The License Holder (owner of a lot) is limited to interring human remains or cremated human remains in that site. The owner also has a limited right to place a monument and plant flowers or shrubs. These limitations are outlined in other sections of these regulations.

Cemeteries are places for contemplation and quiet reflection. They are not recreation areas. Please respect these sacred grounds and use common sense: No loud noise, bad behavior or trash.

No person shall remove, cut, break or mark any tree or shrub; or mark upon, deface, or injure any monument or structure on the grounds.

Gravestone repairs require prior authorization of the Cemetery Commission or its designated agent. Rubbings are not permitted. Take photographs only.

Firearms shall not be discharged in the cemeteries, except for salutes at military funerals, Memorial Day, or Veterans Day.

Dogs must be leashed at all times and be under control of their handler. Dog walkers must clean up after their dogs and must ensure that dogs do not trespass on any grave.

All trash must be removed from Town cemeteries, as there are no trash receptacles available.

Additional Rules and Regulations Applicable to the Polpis Burial Ground

Polpis Cemetery is open to cremation interments only

Cremation lots are four feet (4') by six feet (6') and shall have no more than four (4) cremations in each lot.

Only one monument or marker per cremation lot will be allowed. A foundation must be placed under each monument. Only a professional who normally provides such a service in the community shall be permitted to place the foundation and monument, unless the Commissioners explicitly waive this requirement in writing. Markers may not be set to embrace two or more grave lots. All markers shall be flush with the ground. No wooden crosses shall be allowed.

The Town shall not be liable for damage to monuments or markers. Markers may be of granite, marble or bronze, the use of limestone, sandstone, cast or cement stone and metals for monuments shall not be allowed. Monuments may be made of native boulders.

Because Polpis Cemetery is a natural setting, no additional planting will be allowed on lots.

No other structure but approved markers or monuments may be placed on a lot.

No vehicles are allowed in the Polpis Cemetery.

No lights of any kind will be allowed.

The Deed may contain certain specific terms and conditions for use of the Rights of Burial, and grant the right of erecting a monument or memorial on such terms and conditions as the Cemetery Commissioners may prescribe. Such deeds and all subsequent deeds of such Rights of Burial made by owners thereof shall be recorded in the office of the Town Clerk in books kept for that purpose. Copies of lost deeds may be obtained by contacting the Nantucket Town Clerk or the Cemetery Commission. It shall be the duty of the License Holder and his/her heirs to notify the Commission of any changes in their mailing address. Notice sent to the License Holder at the last address on record shall be considered sufficient and proper legal notification.

The Cemetery Commissioners shall establish the cost of a Burial Right and fees related thereto and may amend the same from time to time. Cemetery personnel shall furnish, to those who desire to purchase Rights of Burial information relative to the cost of the same and the conditions upon which interments or inurnments may be made. See: Nantucket Cemetery Commission Schedule of Fees.
