nantucketfire "Interim Chief Marty Greene is a snake in the grass and he will run to the town for anything trying to create more divide. He will act freindly towards the union and go tell the town whats going on. It took Oak Bluffs FD 3 months to fix the damage Marty Greene caused and the fire department had to sit down with the selectman to go over the actual facts because Greene was making shit up. Greene was fired by the selectman when they asked him where everything stood with the Oak Bluffs FD and what his plans were to move forward. He said that wasnt what he was hired to do. Meaning he was hired to try and clean house. After he left he shit all over the fire department and made the guys look like a bunch of assholes. "

We have friends everywhere and this is what we learned happened to our brothers and sisters at OBF.

No surprise that they hired this fraud. The Town Manager, Neil Paterson and the Selectboard intend to give us a "rude awakening". We think they are about to get a rude awakening. Stay tuned
